

DESCRIPTION:

Introducing Rymax Apollo R 10W-60, our premium range of engine oils specially crafted for high-performance engines, both on and off the racetrack. Experience the power of Apollo R, a full synthetic racing oil engineered to excel under extreme conditions.

Unleash the full potential of your engine with the Apollo R Line, rigorously tested and proven at renowned motorsport events like the Gatebil Drift Festival and The Morocco Desert Challenge. Designed to deliver unrivaled horsepower and unparalleled engine protection, our R-line products are the epitome of performance and reliability.

Whether you're driving a turbocharged gasoline, diesel, or LPG-fueled vehicle, our Apollo R oils are a perfect fit for passenger cars. Get ready to push the boundaries with Rymax Apollo R, the ultimate choice for enthusiasts seeking superior performance and peace of mind.

PERFORMANCE LEVELS:

- API SN/CF
- ACEA A3/B4

BENEFITS:

- Fast cold start properties which results in less wear due to a stable lubricant film
- Great dispersant and detergent properties, which warrants a clean operation
- Very good lubrication film at very high working temperatures
- Suitable for harshest and most challenging environments
- Very good anti-wear, anti-corrosion and anti-foam properties

TYPICAL PROPERTIES

SAE	Unit	10W-60
Density 15 °C:	Kg/m3	848
Viscosity 40 °C	cSt	168.1
Viscosity 100 °C	cSt	23
Viscosity Index		171
Pour Point	°C	-45
Flash Point	°C	>201
