

TECHNICAL DATA SHEET

HAND CLEANER

Biodegradable Solvent-Free Cleaner

DESCRIPTION:

The Rymax Hand Cleaner is biodegradable, solvent-free and designed to effectively remove stubborn dirt, making it ideal for garages, workshops, marine and off-shore applications. Our hand cleaner is formulated with high-quality ingredients and features natural perlite scrub particles, offering effective grease removal while remaining gentle on the skin. Its mild gel texture creates a rich, creamy foam that helps lift and absorb oils and grease more efficiently. Infused with a pleasant fragrance, it leaves hands feeling clean and refreshed.

Available in 600ml, 4.5L and 10L.

BENEFITS:

- pH-neutral composition helps maintain the skin's natural balance
- Contains natural perlite abrasives for powerful yet skin-friendly cleansing
- Rich, creamy foam improves spreadability and cleaning performance
- Helps absorb and remove heavy oils and grease effectively
- Leaves hands clean, refreshed and comfortable after use

AVAILABLE PACKAGES:
